poster printing price list

This poster printing price list is just a selection of the more commonly requested sizes. You are not limited to 'standard sizes', any custom size image up to the maximum media/print width can be produced.

Please contact us for a quote on any custom size prints you require.

the papers

Photo Satin 200gsm - Max paper width 42 inch, 1066 mm
A smooth bright white satin photo paper with a non reflective coating.

Photo Matt 170gsm - Max paper width 42 inch, 1066 mm
A smooth white matt photo paper with a barrier coating to prevent cockling.

All posters will be trimmed to crop/trim marks unless otherwise requested.

Please contact us with any questions you may have.

the prices

Multiple prices are for prints of the same file

The poster print prices are the same for Photo Satin 200gsm and Photo Matt 170gsm
